

Please contact me before mailing your quilt. At that time I will provide you with a shipping address and an estimated turn around time on your quilt. Print this form and tuck it inside with your quilt when shipping or dropping off a quilt. Please send your quilt in a box that is big enough to return to you after quilting (with batting) and place inside a plastic bag to protect from the elements (hello rainy Oregon!). If your quilt or backing is directional, please pin a note to the top of each. Backing should be *at least* 4" bigger than your quilt top on all 4 sides, with edges trimmed evenly. After quilting I will send you a photo of the finished quilt and your total including the cost of return shipping. I accept Paypal, Venmo, and credit card payments as well as checks or cash from local folks. I will send you a tracking number after it's on its way home.
